Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative brought it to the Examiner's attention that the European Search Report listed in the IDS filed 7/28/06 and the US Application 10/727,561 listed as an appendix to the IDS filed 1/21/04 were never considered/initialed by the Examiner. The Examiner's failure to provide her initials next to these documents was an oversight. This oversight has been corrected (see attached pages).
